M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The SPAR Store will operate a CCTV system – cameras covering all areas of the SPAR Store. The staff will be fully trained and some staff members may have obtained the APLH level 2 certificate and all will receive "in house" training on the sale of alcohol and will be re-trained as a minimum every 13 weeks.

b) The prevention of crime and disorder

We have a due diligence policy and undertake internal test purchases. The scanning system will prompt the staff to check the age of the customer when the alcohol is purchased. A suitable Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times where members of the public are present on the premises.

c) Public safety

The public safety measures with which the premises are provided will be maintained in good working order, and their adequacy will be determined on a regular basis, by carrying out a risk assessment. I understand that the safety of occupants is also influenced by numbers of persons present, their disposition and the activities taking place, and therefore undertake to maintain a safe occupancy level.

d) The prevention of public nuisance

The SPAR Store operates a refusal book and also a due diligence recording system by way of the till. This is in relation to age restricted products. An age checking report is available in store where refusals of service are made. The PLH/DPS staff will ask for proof of age from any person appearing to be under the age of 25 who attempts to purchase alcohol at the premises.

e) The protection of children from harm

We operate the "Think 25" policy but do sell to 18-25 year olds on production of approved identification. Alcohol will not be kept near the front entrance. An age checking report is available in store were refusals of service are made.

Training of staff – all staff responsible for selling age restricted goods to be trained to implement the age verification policy. Training records for staff to be maintained and refresher training to be provided every 13 weeks.

Minimise the risk of proxy sales – safeguards to be in place to try to ensure that alcohol is not purchased or obtained for young people by relatives or older friends (proxy provision). The applicant will work actively with the police to minimise this risk. Staff training to include the risk from proxy sales.
